Dear Mr. Flinspach:

According to our records the Pair-a-dice and Lucky Lager claims located in T. 32 S., R. 20 W., sections 24 and 25 have been closed. Our office has inspected these claims and it appears that the work proposed under exploration notices UTU-71746 and UTU-71747 was not completed. Since no work has been completed under these notices and the claims are closed, the notice files will be closed as well.

This letter serves to close case files UTU-71746 and UTU-71747. Any further work on public lands will require a new mining or exploration notice or plan of operation.

Please contact Gina Pack at this office if you have any questions regarding this action.

Sincerely,

*RLD Edwards*
